Did you know...

The Itsy Bitsy Spider has more verses!

The itsy bitsy spider climbed up the kitchen wall, swoosh! went the fan & made the spider fall, off went the fan, no longer did it blow, so the itsy bitsy spider back up the wall did go.

The itsy bitsy spider climbed up the yellow pail, in came a mouse & flicked her with his tail, down fell the spider, the mouse ran out the door, then the itsy bitsy spider climbed up the pail once more

The itsy bitsy spider climbed up the rocking chair, up jumped a cat, & knocked her in the air, down plopped the cat & when he was asleep, The itsy bitsy spider back up the chair did creep.
